# One Platform. Every Entrance.

Manage access across  
any property

**Install**  
with ease

**Configure**  
with confidence

**Control**  
with intelligence

The new LiftMaster® Smart Access Controllers provide properties of all types with a centralized, cloud-based platform for secure, intelligent access control.

Designed to simplify installations and enable flexible configuration, the system can easily expand to control as many doors, gates, or elevators as the property requires.
